

# Food and Drink Policy

You may bring food and drinks into the library. In order to keep the library clean, we ask that you:

- Use a covered container for drinks.
- Throw away food trash and wipe up crumbs.
- Alert staff to any messes or other building issues (e.g. broken furniture, clogged sinks, leaks, etc.) at the [Information Desk](#) in the Atrium or through our [anonymous reporting form](#).

Please note: Wallace Library is not an allergen-free environment.

This policy is effective August 8, 2024, and will be reviewed annually.
